Parent Questionnaire: (1st & 2nd Grade Applicants)

To be filled out by parents. The following questions help us learn about your child. Please provide supporting evidence for your responses.

1. Describe your child's strengths: _____

2. Describe your child's areas of challenge: _____

3. What are your child's interests/hobbies? _____

4. Describe how your child interacts with peers: _____

5. What do you expect your child to gain from our program? _____

6. Is there anything else you would like us to know about your child? _____

I/we affirm that I/we have included all the relevant and necessary information that may affect this student's educational performance and progress. I/we understand that this information is to be reviewed only by the Admissions Committee to evaluate MDIS's ability to appropriately meet the educational needs of this student. Further, I/we understand and accept that falsification, deception, or omission in any aspect of the application process may result in an immediate review and possible revocation of admission.

Policies

MDIS celebrates diversity and welcomes all applicants. The school is an independent institution and does not discriminate on the basis of any characteristic protected by law. Admissions decisions are made based on a school visit (including a formal and informal assessment), evaluation of the enclosed application, previous academics as shown by a recent report card, copy of birth certificate, and any other information the Admissions Committee deems important.
